

PELHAM BAY PARK GAY WITH BIG FLOWER SHOW

Alton B. Parker Tells of Plans to
Make Grounds Great Recre-
ation Centre.

On the spacious lawns surrounding the old Barlow mansion at Pelham Bay Park the first annual summer flower show of the International Garden Club opened its gates yesterday afternoon, when 800 members and their guests were entertained.

The exhibit will be continued four days and Sunday, the final day of the show, the grounds will be thrown open to the public free of charge.

This open air exhibit is the first of its kind in America. It is modelled on the great exhibits held in Paris and London each year.

A group of orchids covering seventy-five square feet, exhibited by the Julius Rosch Company of Rutherford, N. J., won first prize in the orchid section offered by Mrs. Charles B. Alexander.

HOUSE WILL DEBATE MARSHALL PROBLEM

District Attorney Will Not Have to
Answer Contempt Charge,
Supporters Think.

WASHINGTON, June 2.—Whether H. Snowden Marshall, United States District Attorney at New York, will be brought before the bar of the House to answer contempt proceedings reported against him, probably will be decided on June 20. On motion of Representative Moon of Tennessee, Chairman of the Select Committee which investigated the charge against the New York official, the House gave its consent today to debate the report for four hours on the above date.

Since the special committee made its report there has been a disposition among some of the members to allow the matter to drop. Supporters of Mr. Marshall in Congress believe the House will refuse to sanction his being called before it.

HISTORY OF FAT REDUCTION

Here is a bit of history published for the benefit of the overweight. For many years there has been published in the daily press pictures for overfatness—the now famous Marmola Prescription of an eminent physician. No doubt you have seen it, noticed it casually and decided that when you had the time you would try for yourself the merits of this mixture. Many have successfully used this harmless remedy to their everlasting joy and beauty to health. The same great physician has condensed his famous Prescription into convenient tablet form, so that you have only to take after meals and at bed time a remarkably pleasant little tablet containing all the effective, pure, harmless ingredients of the original prescription. The pound-a-day reduction to your normal self comes without dieting, self-denial or exercise, and leaves no wrinkles or flabbiness. Marmola Prescription Tablets are sold by druggists and mail order by the Marmola Co., 112 1/2 W. Woodward Ave., Detroit, Mich. The price is 50c for a large case—a generous supply.—Advt.
